

By foot to the city centre

Reaching the B&B CAMPIELLO ZEN by foot is really easy: 15/20 minutes from Piazzale Roma (arrival by car) and 10/15 minutes from the train station (arrival by train). The B&B is just 50m away from the vaporetto stop 'Riva di Biasio' without any bridges to cross, from here public transport ACTV (line 1, 51, 52) brings you along the Canale Grande including Rialto bridge, San Marco, Lido (beach), Murano, Burano and Torcello.

*After getting off from the vaporetto at the stop 'Riva di Biasio' turn left on the riverside of the Canale Grande, keep straight on until the end of the riverside and turn right into Rio Terà, after 20 meters you will find the B&B on the right at the street number 1285.

It can be arranged for you to be picked up at this stop and led to the B&B. The ticket for the vaporetto is very expensive in Venice (6,50€ per person per journey), so if you consider visiting the city via public transport it is advisable to purchase a touristic ticket (12-24-36-48-72 hours) or the Venice Card (public transport and reductions in museums). For more information visit the webpage of ACTV and HelloVenezia at the bottom of this page.
